St. Mary's Survey

As the transition time began last September with the arrival of our Priest in Charge, one of the most reported concerns of the recent past was the worship times and how they were chosen. This may have changed but we still need to examine the Sunday morning Schedule and just how we fit all the activities into a four hour time frame.

So take the survey on our website: www.saintmaryslakewood.org under the tap **worship**.

Please only one survey per person and complete it by March 5.

Thanks your Liturgy Teams
